Dear Team VTREE,

Sub: Request for Providing One Desktop Computer to Government Higher Secondary School, Manjini - Reg.

With reference to the above subject, I, **Rtn. J. Ramesh**, President of **Rotary Club of Attur Midtown**, hereby request your kind support in providing **one desktop computer** to **Government Higher Secondary School, Manjini, Attur Taluk**, for the benefit of students' computer education and practical training.

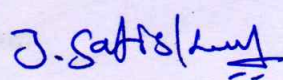

The school has a significant number of students who will greatly benefit from access to a desktop computer. This support will help enhance their digital literacy and improve their learning opportunities.

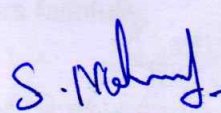

We hereby assure you that our Rotary Club will periodically inspect the school to ensure that the desktop computer is maintained in good working condition and is being utilized solely for the educational purpose for which it is provided. We further assure you that any repair or maintenance required in the future will be undertaken either by the school authorities or by our Rotary Club, as the case may be.

We kindly request you to consider our request favourably and arrange to provide the desktop computer at the earliest.

Thank you for your kind support and consideration.
